VOL. 4 NO. 1 TUESDAY, SEPTEMBER 1, 1970

BRITISH COLUMBIA INSTITUTE OF TECHNOLOGY

*Registration Issue*

*Welcome Frosh*

# BCIT STUDENT ASSOCIATION

The BCIT Student Association consists of an Executive, eight elected and one appointed positions and a student council consisting of elected technology presidents and vice presidents.

Council meetings are held every second Monday (first meeting date to be announced) and these are open to all members of the association but only representatives may vote.

Executive meetings are held in closed session on alternate Monday nights.

Once a month the Executive and BCIT Administration representative hold a luncheon. Every member of the executive is working for the best interest of you, the students. Feel free to drop in to the Association offices, Room 462 (Fourth Floor New Wing) and discuss any problems or suggestions you may have.

As a student at BCIT you are an official member of the BCIT Student Association. Your \$20 membership fee provides many services throughout the year. Listed below is the 1970-71 Budget for the BCIT Student Association. Any questions regarding these figures should be directed to the, Secretary-Treasurer in Room 462.

## Budget 1970-71

### EXECUTIVE

President	\$596.00
Vice President Internal	100.00
Vice President External	381.00
Secretary Treasurer	8340.78
Clubs Chairman	435.00
Social Chairman	3785.00
Sports Chairman (Men)	4020.70
Sports Chairman (Female)	393.00
Total	\$18051.48

### PUBLICATIONS

Photo Directorate	\$ 1322.00
Link	5181.21
Nucleus	14000.00
Total	

### CLUBS

Varsity Christian Fellowship	\$124.50
Ski Club	193.50
Motorcycle Club	122.00
Outdoors Club	973.00
Curling Club	375.00

—1st Year Student

(\*Council Representatives for technology)

### SECRETARY-TREASURER

### SOCIAL REPRESENTATIVE

—member of Social Council

### SPORTS REPRESENTATIVE

—member Intramural Sports council

### PUBLICITY REPRESENTATIVE

# Shinerama

On Friday September 18 your participation in your University's or College's 6th Annual **SHINERAMA SHOESHINE CAMPAIGN** in aid of the Cystic Fibrosis Foundation is requested.

The Shinerama '70 Vancouver Committee, in conjunction with the British Columbia Institute of Technology, the University of British Columbia, Trinity College, the nursing students of Vancouver General Hospital and St. Paul's Hospital have pledged to raise twenty thousand dollars for Cystic Fibrosis research. To do this we need your participation and support, which means only a few hours of your time.

We will supply all the equipment, transportation, and food too. You — just the effort.

We guarantee you will have a good time participating in SHINERAMA. And remember, you will be helping those who are less fortunate than yourself. Cystic Fibrosis, as you probably know, is a fatal disease afflicting thousands of children.

As a participant in Shinerama, you will be admitted to the dance being held the evening of Shinerama absolutely FREE.

So be sure to take part in this year's SHINERAMA . . . Help fight CYSTIC FIBROSIS and give a child a breath of life.

---

## A MESSAGE FROM THE PRINCIPAL...

Welcome to all students who come to B.C.I.T. this September.

For those who enrol for the first time, the staff of B.C.I.T. will help you in every way to get a good start in your studies.

Make sure you introduce yourself to your Chief Instructor or Department Head. They will advise you about any particular problems relating to your technology.

I would suggest that as a general rule you should try to get down to your studies right away and that you try to keep up as you go along. Christmas exams come quickly and it is important that you do well on them. A good rule to follow is: "Never put off 'till tomorrow what you can do today."

For those who are returning for their second year at B.C.I.T. — a special welcome. This is your final year and I hope it will be a most successful one. I am sure that graduation from B.C.I.T. will start you in a satisfying job in your chosen career. Don't let down in your final year.

But it is not all work and no play at B.C.I.T. The Student Council offers a great variety of club activities and intra-mural sports to add to your growth and enjoyment of your school year. I would recommend that you participate in some organized student activity. I hope you will enjoy your year at B.C.I.T. as well as profit from your studies.

As usual, B.C.I.T. is growing. New buildings and improved and landscaped grounds are being provided. But growth means construction debris and other inconveniences. I trust that you will put up with some difficulties on the Campus during the Fall term when some overcrowding will be inevitable. Most of these problems will be eliminated by the end of December.

If you do have difficulties, do not hesitate to talk to the staff about them. All doors are open to you and everyone is anxious to help.

To all of you — Good Luck. I am sure this will be a year to remember.

D.H. Goard  
Principal

---

## It's Getting Better All The Time

On behalf of the Student Association of BCIT I would like to congratulate you on your enrollment for the upcoming academic year.

The Student Association was instituted to promote, establish and control a balanced program of extracurricular and co curricular activities and to act as an agent in bringing student problems before the administration of the Institute.

We provide, for you the student a colourful program in sporting, clubs and social activities throughout the year. As it has been the case in past years due to the lack of participation on behalf of the students, many sponsored activities were not worth the effort some individual organizers have put into

them. We know that you are confronted with a busy schedule of studies and assignments once the term is in full swing but we all need a time when we can enjoy ourselves through various activities. Help us to make the coming year a successful one and participate if your class representative asks for your help. We will be on hand during registration to answer all questions you might have and our office is located in room 462 where you are welcome to drop in any time throughout the year. We are looking forward to meeting you.

Yours Sincerely,  
BCIT STUDENT ASSOCIATION  
Edgar Rhomberg, President

## LETTERS TO THE EDITOR

We would like to hear from you, the students. Have any comments, opinions, news or views. Write us a letter. Letters may be deposited in the Link Box in the main or south foyers.

## JOIN PUBLICATIONS

We need people to work on student publications. If you would like to work for the Link (Newspaper), Nucleus (Yearbook) or Photo-Directorate (Photo-service), submit your name, tech, telephone number etc. in the Link Box, main foyer or south foyer. We need your help.

## TYPISTS WANTED

The Link requires students to type for the Link. All interested students please call 437-1333 or drop your name into the Link Box, main or south foyer.

## EDITORIAL POLICY

The editor will accept any material for the Link, but reserves the right to exclude such articles which are in poor taste, are detrimental to the Institute or are interpersonal conflicts. However, the editor will explain to the author his reason for excluding an article whenever possible. Articles may be submitted in the Link Box, main and south foyers.

# Link

PUBLISHED BI-MONTHLY  
CIRCULATION 3,500  
TEL: 437-1333

The Link is a periodical published by and for the students of the British Columbia Institute of Technology, 3700 Willingdon, Burnaby, British Columbia. The Editor-in-Chief is responsible to the Publications Director of the BCIT Students' Association for success, quality and content of this publication. Neither administration nor instructional staff of this Institute edits or censors the material within. Bylined materials are the personal opinion of the writer and not necessarily the editorial board. The Link is typeset at Peak Publications and printed at Horizon Publications Ltd.

Acting Editor — John Horbatch

## Welcome

Welcome to the British Columbia Institute of Technology.

A special welcome to the first year (Frosh) students. Many of you are now wondering 'What is going on?' Don't fret over this, you may now feel that you are alone in this predicament but you are not. The second year students faced the same situation last year and have managed to survive. The BCIT Handbook issued to you at registration time will answer most of your questions. All the information in it has been revised. New floor plans and bus schedules have been included.

If you have a problem, don't keep it within yourself, ask second year students for help, I'm sure that they will be more than happy to assist you. Basically BCIT is still relatively small and a friendly atmosphere is prevalent throughout, especially within technologies.

BCIT certainly has school spirit, especially within certain individual technologies. C&S, Mining, Forestry, Building and many other technologies lead in Tech Spirit. Let's Keep it up.

We in BCIT Publications are 'Open'. We would like to help you in any way possible. If there is anything we can help you with or if you have any ideas to contribute just give us a call any night at 437-1333.

## Open House

This coming Spring BCIT will be holding its second annual Open House. Open to business, industry and the public, the event has informed people as to the purpose of BCIT, that it is not a Vocational School but an Institute of Business, Health and Engineering. Technologies are encouraged to start preparing early for this important event. Open House helps students in attaining jobs. It introduces students to new employers. BCIT is a student project, it benefits both frosh and graduate students. More information will be available in future issues of the Link.

## Friends

A new idea has formulated on campus. It's called "Your Thing". What it is trying to accomplish is to bring people at BCIT closer together. Two years at the Institute can be a very lonely and trying experience. Usually it is not until the end of the year that the artificial barrier of coldness is broken down and students become friends.

Clubs help reduce this time element. Dances and other events also contribute to inter-technology experience.

We would like to start a new 'inter-technology clubs' that would allow you to meet new and interesting students in other technologies, to discuss mutual interests, arrange events of common interest. See 'Thirty' column in this issue for more information.

## Pinch-Hitting

I am pinch-hitting for Parry Bellot, the appointed Editor of the Link. Parry should be here for the next issue. We in Student Publications would like to have you on our staff. If you are interested in working on the Link (Student Newspaper), Nucleus (Yearbook) or the Photo-Directorate (Photo-service) submit your name in the Link Box in the main foyer or to Norma, the Association secretary, Room 462.

Call 437-1333 Nights — We would like to hear from you.

# Need a Ride?

Should any student be looking for passengers to take to school or should any student be looking for a car ride to school, your attention is drawn to a "Ride Exchange Board" which is located in the main lobby of the Library. This area lists the major area of the Lower Mainland and there you will find two different colored cards — one for drivers (looking for passengers) and one for passengers (looking for rides).

All you have to do is pick up the appropriate colored card — green for drivers and yellow for passengers — complete it and place it in the slot of the area in which you live. Or if you're lucky, just check the Board to see if some other student has already completed a card and placed it in the slot opposite your zone area.

To eliminate accumulation of cards in the various slots, the Board will be cleaned out periodically. It may be necessary for you to complete several cards

before you have a ride or the number of passengers desired.

Another feature of the Board is that space has been allowed for out of town rides at vacation time. Prior to any extended break, when you plan to go to your home town, check the Board to see if a ride is available or if prospective passengers are seeking rides to or near your home town. If not, complete a card and place it in the appropriate slot.

Please do not remove and take away any completed cards. Blank papers are provided for you to jot down the facts of any ride concerned. Copy the information you want and return the colored card to its appropriate slot. At your convenience, you can contact the student concerned.

Should you have any suggestions concerning car pools, bus service or transportation in general, please contact Les Smith, Room 289, BCIT.

Gary Hantke (BCIT TRANSPORTATION COMMITTEE)

---

## Socially Yours

By Mary Bodo, Social Chairman

This year Social, like all extracurricular activities on campus is trying a new approach, fewer but more interesting activities. Instead of having a dance of brining a group to play every Wednesday, the dates are limited to the first Wednesday of every month.

Along with some local talent we hope with the help of the famous Mr. Isy Walters to bring some "big name" attractions to BCIT. I'd like to welcome all the first year students to BCIT and will be glad to see all the second year who made it back.

---

## THE REGISTRAR'S MESSAGE...

Hello Freshmen.

For a great number of you this will be your first exposure to post-secondary education, and it is possible that you may find problems that you have not anticipated. They may be academic, financial, medical or personal. Our student services are at your disposal — remember — we are working for you.

We know your training here is going to be profitable. We are also interested in making it enjoyable.

You are on your way to a fine and interesting year, so commit yourself — there's more in it for everybody.

To all of you, welcome to the Campus.

Good Luck.

J.T. Field  
Registrar

---

### ELECTIONS

Technologies are reminded to have the following representative elected by September 18th.

—Technology President (2nd year Student)

—Technology Vice-President (1st year Student)

—Technology Secretary Treasurer

—Technology Sports Representative

—Technology Social Representative

—Public Relations Representative for Technology

Names of elected representatives are to be turned into the BCIT Association Secretary, Mrs. Norma Butt in Room 462.

### CLASSIFIED

#### ROOM-MATE WANTED

A room-mate is wanted for a 3 room upstairs suite in Burnaby, near Central Park. Share \$85 rent. For more information call BCIT Student Association Office Room 462 (434-5722 Local 335), or 437-1333 or 434-8215 at night. Ask for John.

#### WANT ADS

Get quick results by advertising in BCIT LINK. Drop your message in the Link Box with name and telephone number (main and south foyers) or call 437-1333 (Nights)

Deadline for next issue: September 8, 1970.

Note: Some ads may be free — call and inquire tonight. (This applies to students at BCIT only.)

USE BCIT STUDENT WANT ADS

## Missing

Back to the books,  
For another year or two.  
Finished your high school  
Yet you're not thru.

Into a technology,  
Learn all you can.  
Put away little things,  
Become a smart man.

Out among industries  
Job opportunities are bad,  
For the fellow out of high school  
But not the B.C.I.T. grad!

Jeffery M. Nicholson

# Men's Intramural Sports

By Laurie Jack, Sports Chairman

Welcome to BCIT and one of the best sports programs in B.C. This sports program has been enjoyed by countless students since it was initiated in the school's early days. You'll soon find that participation in this program will bring immeasurable enjoyment. Among the sports offered are:

Football (starts on September 21)

Basketball (starts in November)

Volleyball (starts in January)

Ice Hockey (starts in October)

Floor Hockey (starts in February)

Cross Country (hopefully to be expanded to a track and field day)

Others will be offered if the demand exists (soccer, rugby, waterpolo, tennis, badminton, table tennis are a few possibilities).

## HOW TO SIGN UP?

Each year and each technology will have or will elect a sports representative. This person will handle team rosters for all sports.

---

## Women's Intramurals

By Alisa Lendrum, Women's Sports Chairman

What is there for girls to do at BCIT? Ever thought of inter-technology sports?

### Field Hockey

Played Nov-Dec; Wed. lunch on field. Women's Canadian Rules.

### Basketball

Played Nov-Dec; Mon & Wed lunch; Recreation Centre. Women's Canadian Rules.

### Volleyball

Played Jan-Feb; Mon & Wed lunch. Recreation Centre. Women's Canadian Rules.

### Badminton

Played Mar-Apr; Mon & Weds lunch. Recreation Centre.

Everyone is eligible to play. Interested? Then merely see your technology sports representative and show up at game time.

Physical fitness and fun were never so easy! See you at the game.

---

## CLUBS

Congratulations for being a student at the British Columbia Institute of Technology. As clubs chairman I am proud to tell you that at the present time ten very active clubs exist on the campus. These are the ski club, which is one of the biggest, the outdoor club, with the greatest variety of activities, the motor sport club, one of the busiest, the scuba club, curling club, motor cycle club, film society, the varsity christian fellowship, Chinese society, and the rugby club. These clubs are eager to increase their membership and activities throughout the year and

your support is needed. Each club will have two monthly meetings for their members in which activities are planned and films will be shown, etc. In the north foyer you will find a directory which tells you where meetings are held and at what time.

If you cannot find the club of your choice in this list and you would like to start a new organization on this campus speak to me in room 462 and I will be glad to assist you in any way I can. Remember your participation is needed to insure successful activities.

Your clubs chairman,  
Clair Israelson

---

## NEED EXTRA MONEY?

Referees are needed for most sports and are paid \$2.00 per game except ice hockey which is \$1.50 per game. If you are interested leave your name at the Sports Chairman's Office located in the recreation centre (Butler Building).

If you feel you have some ideas on sports that would be valuable please bring them to the sports chairman's office, I am more than willing to hear them, or if you feel you would like to get in on the organizational part of sports please see me or leave your name at my office.

---

# Campus Bank

CANADIAN IMPERIAL  
BANK OF COMMERCE

# Thirty®

By John D. Horbatch

Hello again and welcome to BCIT. This is the second year of the 'Thirty' column in the Link.

Basically this column will feature news-opinion capsules of events in and about BCIT. We will strive to distinguish clearly between the news and the opinions. It will not only cover news, but also in-depth coverage behind the news. Our aim is to be constructive, informative and factual. We encourage student and staff views and comments in regards to material within "thirty".

## FRIENDS

We want to start a new thing at BCIT, "your thing" a club that will help you find and meet new and interesting students on campus.

BCIT can be a very lonely place for those who do not participate. Although the males outnumber the

females about three to one, it still is a lonely time for the girls.

Technology segregation, segregation of males and females causes an impersonal feeling. Males group together in their tech group as do the females. We would like to help you socially at BCIT.

We are not setting this up as a Lonely Hearts Club — far from it. We would like to organize events with other groups such as the nurses at hospitals. Money is not essential in this endeavour. There will be no fees to join.

Right now we are in the planning stage and would like to have things going by the next issue of the Link (in two weeks).

We would like your views on this project. If you are interested or would like more information call us at 437-1333 any night. We want to help you.

## FREE WITH CARD

The Wooden Barrel is a new Cabaret located at Kingsway and Edmonds and it features rhythm and blues with (Fat Back) "CAIN" featuring Bill Reiter.

For a limited time only there is free admission on Wednesday nights to BCIT students with student cards. On Tuesday night girls are admitted free and there are more girls than guys.

Admission price is a buck any other time. Drop by the Wooden Barrel Cabaret next Wednesday night, look around, it's free with your card.

A few passes are available. Drop your name, tech number and telephone number in the Link box in the main or south foyer, and we will draw for the winners.

will not be used for the system this year it is hoped that the equipment for making the cards adaptable to the Automatic Library Card System will be available next year.

## GRADUATE PHOTOS

Second year students will be having their graduation pictures taken earlier this year than in previous years. Graduation pictures will be started on September 14th this year and will continue for about two weeks.

The reason for this is the time involved in processing, selecting and retouching photographs. There is a deadline set in submitting student pictures for publication in the BCIT

yearbook, therefore we have to move up the photography date.

Evangelo's photography will be returning this year for the shooting. Each student will have three or four pictures taken and will choose the best for publication. The sitting fee is paid for by the Student Association. Students may order (at their own expense) graduate photos from Evangelo's. More information will be issued on this later.

The September photography will hopefully not cause class interruptions. A schedule will be printed in the next issue of the Link and circulated throughout the school as to times reserved for technologies. More information in the next issue.

## CANADA STUDENT LOANS

In the next issue of the Link we will have information regarding Canada Student Loans.

## ID SHOTS

This year the BCIT Student Association was responsible for taking all the Student Card Photos. The Association has purchased a Polaroid ID System and laminator to help speed up the process. The cards this year are in color and are tamper proof.

The cards should be carried at all times and will be excellent identification for entry to local pubs (i.e. Villa).

The cards have been changed from last year in a move to incorporate a computerized library card system in the BCIT library. Although the cards

## SPORTS EDITOR WANTED

A Sports Editor for the BCIT Link is required. All students interested please contact the Link. Drop name, tech number and telephone number into Link Box, main or south foyer or call 437-1333 (Nights)
