STAFF NEWS

If you see any cute little living Christmas trees gracing offices and reception areas in the 1A and Administration buildings, they probably belong to BCIT's famous gardening hobbyist, **Dave Holmes**. It is Holmes who encourages staff every spring to compete in his annual vegetable growing contests.

Holmes, who hand delivers the seedlings himself, is an instructor in the Renewable Resource technology. His Adopt-a-Douglas Fir program heralds the holiday season and is very much appreciated.

Electronics instructor **Herb Adams** was recently awarded an honorary membership in the Applied Science Technologists and Technicians of B.C. (ASTTBC). Adams has been with the Institute for 29 years.

Tom Nikiforuk of the Carpentry Tool Room, and wife Shannon, became proud parents of a baby girl, Shae Cristina Anne, on October 24. Congratulations.

INTERNATIONAL EDUCATION NEWS

BCIT is receiving an increasing amount of attention from foreign institutions, and organizations. Several of them visited the campus this fall to see how we do things and to discuss twinning and other ventures.

The following visitors were welcomed on campus this fall:

Dr. Clarke, president Hong Kong Polytechnic

Richard Gordon, Faculty - Jamaican Institute

Gerald Kwan, director of Admissions, Hong Kong Polytechnic Institute

Warner Meyer, Association of Canadian Community Colleges representative

Indonesian Study Tour - with Robin Ruggles, Ministry of Advanced Education and Job Training

Angela Bober, Canadian Bureau of International Education student coordinator for western Canada

Mr. Beruk, Canadian Bureau of International Education, Libyan student representative

China Study Tour with Kim Siaw from Association of Canadian Community Colleges.

Laval University is compiling an inventory of Canadian teachers and other professionals with experience and skills relating to the Sahel region.

Specifically they want to include the names of Canadians who specialize in matters relating to the Sahel; those who have the necessary knowledge to solve problems in the region and others with experience or a marked interest in the region.

The Sahel is made up of: Cape Verde, Mauritania, Senegal, Gambia, Mali, Burkina Faso, Niger, Chad, North of Cameroon.

Further information on this project and job opportunities in the Sahel can be obtained from Donna Hooker in International Education (local 8842).

COMMUNICATION INSTRUCTOR'S BOOK PUBLISHED

The second edition of **Business Communication: Strategy and Skills** by Dixie Stockmayer, an instructor in the Communication Department, has been published by Holt, Rinehart and Winston of Canada Ltd., Toronto. The textbook is widely used by colleges across Canada.

The first edition, published in 1984, incorporating Stockmayer's teaching methods, was an adaptation of an American textbook. "More of my own teaching methods are in the second edition," she says.

Stockmayer is on secondment to Learning Resources this year, working on instructional design projects. She has a degree in English from the University of Toronto and experience in technical writing in the health care field. She joined BCIT's instructional staff in 1980.

COPPING RE-ELECTED TO SCHOOL BOARD

Dr. Barb Copping, director of Medical Services, was recently re-elected to the Coquitlam School Board for a three year term. She was elected by a 76 per cent majority.

Copping, who was first elected to the position in November, 1985 as an independent candidate, would like to see the School Board focus on more long term projects. She would also like to see the funding formula changed or removed to relieve the tax burden on homeowners while maintaining the important goal of meeting the individual educational needs of every child.

Copping is a clinical assistant professor at the UBC Faculty of Medicine and a member of the selection committee for the Faculty of Medicine at UBC. She also serves on the board of the Greater Vancouver Regional Branch of the S.P.C.A.

TREASURE HUNT WINNER ANNOUNCED

Congratulations to former BCIT Purchasing receptionist, Lynn Bradshaw, who won first prize in the Campus Centre Treasure Hunt Game held recently. Her name was drawn from 40 other correct answers on Monday, December 7. Second prize went to Terri Dzuba of Financial Services.

Bradshaw, who is engaged to Neale Jones of Print Services, won a trip for two to San Francisco, courtesy of Hagen's Travel. Terry Dzuba won a \$150 gift voucher for a shopping spree at Bootleggers.

Out of the 58 people entering the trial run contest, 40 guessed the correct answer, and Campus Centre Treasure Hunt committee members are now assessing whether or not the contest needs to be amended for the grand launching in the new year.
