BOARD'S EFFORTS KEY TO OBTAINING MATCHING GRANT

The lobbying efforts of BCIT's Board of Governors and Development Council was key to obtaining the recently announced \$5 million matching grant," says Board chairman Wynne Powell.

"Members of our Board and Development Council recognized that BCIT's lack of matching funding was a severe drawback to the Institute's fund raising efforts and worked hard to state our case to the government.

"Through their efforts the Minister recognized that we had to have the means to seek private funding if we were to become the kind of unique post secondary institution identified in our mandate.

"Companies that have shown reluctance to donate money in the past are now reacting to us in a much more positive way. I can confidently say that reaching our fund raising goal is more than enhanced by the availability of this funding!"

KIND GIFTS OR "GIFTS-IN-KIND"?

A fund raising update from Marilyn Wright

The community is beginning to respond to our needs!

In the past three months \$623,035.00 worth of equipment has been donated to BCIT.

Every day I become aware of items that have been received by people on campus. It is important that we keep a record of donations and that can only be done if you let us know. Part of the fund raising process is to ensure that our donors are thanked for their gifts.

Please keep us informed. Remember, we can never say thank you enough.

Marilyn Wright is Director of Development and can be reached at local 8773.

NOTES OF INTEREST

BCIT has joined the British Columbia Association of Community Colleges (BCAC). Board of Governors member Hilda Rizun is our delegate to the association and we look forward to hearing news about BCIT's participation.

BCIT's interactive videodisc "The Anatomy and Physiology of the Heart"

International Trade Student Heather Roberts was pleasantly surprised February 9 when she won a VCR courtesy of Coca Cola and BCIT's campus cafe. The contest, which was open and free to anyone who purchased a Coke product, was the second such promotion put on by Coca Cola in the past two years. Manager of Campus Food Services, Tony Spatzl, presented Heather with her prize on February 12.

has been awarded a "Certificate of Merit" in the 1990 Nebraska Interactive Videodisc Awards. The Certificate of Merit was established in 1986 to recognize exceptional projects. Although not the absolute winners in their category, these projects are worthy of special note. The presentation will be made to Griff Richards, IVD Project Leader at an awards ceremony held in conjunction with the 1990 Nebraska Videodisc Symposium in Lincoln, Nebraska in May. Said Griff Richards, "I'm particularly pleased that the disc is being recognized in Lincoln. Nebraska is THE centre for videodisc development. This award recognizes

the quality of our effort. The IVD team put in tremendous hours working through the design, production, and programming. The attention to detail and accuracy on the part of our subject-matter experts really contributed to a successful videodisc." BCIT's project team for "The Anatomy and Physiology of the Heart" consisted of Dave Martin, John Emes and Tom Nowak from Basic Health Sciences, and Peter Fenrich, from Computer Based Education, and Griff Richards, the IVD Project Leader.

The BCIT Bookstore will close for annual inventory on MARCH 29 and 30.

STAFF NEWS

The following people resigned their positions in February: **Gail Apa**, Library, **William Murray**, Print Services, **Margo Slater**, Registrar's Office, **Garry Stevenson**, Maintenance, **Robert Andrews**, Upholstery, **Peter Davies**, Aircraft Structures, **Manno Janzen**, Upholstery, **Jack Sargent**, Aircraft Maintenance, **Paul Maschak**, Applied Industrial Computing, **Len McNeely**, School of Trades Training and **Ted Parten**, Computer Resources.

The following people started new jobs at BCIT in February: **Tracy Miller**, Library, **Gabriel Lam**, Electronics, **Garry White**, Power Engineering, **Jonathan Candy**, Applied Industrial Computing, **Darryl Mack**, CAD/CAM, **Margo Slater**, Computer Resources, **Byron Cox**, Marketing and Development, **David Cresswell**, Computer Resources, **William Murray**, Print Services, **Lois Reimer**, Financial Services, **F. Raymond Walton**, School of Trades Training, **Trevor Williams**, Mechanical Technology, **Marilyn Wright**, Marketing and Development. **Ron Budd** also recently took on the position of manager, Capital Accounting in the Financial Services Division.

Accomplishments: Automotive instructor Vito Ialungo has fulfilled the requirements of his provincial instructors diploma. Congratulations Vito. . . . Also from Automotive and deserving of congratulations is **Norman Cloutier** who recently cleaned up at the annual competition of the Coquitlam and Langley Wine Making clubs. Norm received two first places and two third places for his white grape, red grape and fruit wine dessert.

ANGELO APPEARS IN GALA EVENT FOR WILD RIVERS

Fish, Wildlife and Recreation instructor, Mark Angelo, who has received a lot of press recently for his involvement in the promotion of wild rivers, will be appearing at a special benefit dinner on Sunday, April 8 at the Alma Street Cafe, 2505 Alma Street. The event is co-sponsored by the Outdoor Recreation Council (ORC) and the Alma Street Cafe.

"AN EVENING FOR WILD RIVERS" will feature Angelo on a panel with Tom Perry, M.L.A. and river enthusiast, John Mikes, river outfitter and Tatshenshini River expert and Bob Peart, executive director of the ORC. Musical entertainment will be provided by John Grey, famous Vancouver playwright/musician and author of **Billy Bishop Goes to War**. Two paintings by Herb Kettner and Leyda Campbell will be auctioned off during

the evening.

The event is open to the public and all proceeds will go to promote the improved management of B.C.'s great wild rivers.

Tickets cost \$40 (\$30 of which is tax deductible) and can be reserved by calling the ORC at 737-3058 or the Alma Street Cafe at 222-2244. Pre-dinner social starts at 6 p.m. and dinner at 7:45 p.m.

REPORT IT AND RECORD IT

All staff and students at BCIT are covered by Workers' Compensation Board Regulations. Every work-related injury or disease **must** be reported to the First Aid Office as soon after injury as possible so that the appropriate first aid treatment may be carried out and documentation done. Even in cases where injuries did not require first aid but where a physician was seen, an "Employer's Report of Injury" (Form 7) must be submitted to WCB within three days of the incident. To report off-campus injuries call North Campus First Aid non-emergency number at 432-8872 or report in person to Building 22.

In Case of Emergency

In your working area, are the emergency numbers posted in a clear and legible manner near the phones? If not, take a few minutes and look up

the appropriate numbers for your area in the BCIT Calendar, Directory or the Employee Orientation Manual and write them out. Don't procrastinate; do it today. Someone might need it for you tomorrow.

If You Call An Ambulance:

NOTE — BURNABY CAMPUS: if **after calling First Aid**, you call an ambulance, make sure you direct it to the Willingdon/Goard Way entrance and call Safety & Security to notify them of the accident site and they will direct the ambulance to the site; otherwise we have people chasing ambulances all over campus.

If a serious accident happens, these steps should be taken:

- 1. Call First Aid (Burnaby Campus 8820; Sea Island 278-4821)
- 2. Call an ambulance (872-5151) and instruct the driver to come to the Willingdon/Goard Way entrance.
- 3. Call Safety & Security to meet the ambulance there and escort it to the scene of the accident. Some areas of the campus are difficult to reach; Safety & Security know the best routes.

The **BCIT UPDATE** is published by the Marketing and Development Department every second week. Deadline for all submissions (verbal or otherwise) is 4 p.m., Tuesday.

Printing/Production: Print Services

THE NEW WOMEN'S PROGRAMS DIVISION OF THE MINISTRY OF GOVERNMENT MANAGEMENT SERVICES WANTS TO DEVELOP A VISUAL IDENTITY FOR THEIR COMMUNICATIONS MATERIALS. THEY NEED A LOGO DESIGN TO IDENTIFY THEIR MATERIALS, SERVE AS THE MASTHEAD ON THEIR NEWSLETTER, AND INCORPORATE INTO THEIR DISPLAY SYSTEMS. TO SERVE THIS PURPOSE THEY ARE RUNNING A LOGO CONTEST OPEN TO ANYONE.

The winner of the logo contest will receive a \$1,500 educational grant to *any* educational institution of her choice. This grant must be used before April 1, 1991, and can be used in any location chosen by the winner.

- Logo must be reproducible in black and white and colour.
- Design must not require more than three colours.
- Design should lend itself to variable size reproductions.
- All material produced must carry the full name of the Ministry and Minister. This should not be included in the logo, but placement of this information must be considered for overall layout requirements.
- All entries must be submitted on 8 1/2" x 11" paper or mounting board and must contain a self-addressed return envelope.
- Send entries by **Registered Mail** to:
Logo Contest
Ministry of Government Management Services and
Minister Responsible for Women's Programs
Women's Programs
Lower Plaza, 800 Hornby St.,
Vancouver, B.C. V6Z 2C5
- Entries must be postmarked by **Noon, April 15, 1990.**
- Entry forms must accompany submissions. **No submissions will be accepted without entry forms or after the April 15 deadline.**
- The winner will be notified before May 15, 1990.
- Submissions will be returned if the request for return box is so marked.
- All rights to reproduction are owned exclusively by Women's Programs.
