BACKGROUND ON TYPES OF AWARDS PRESENTED AT GRADUATING AWARDS CEREMONIES

Academic Awards

Awarded to the student in each program who received the highest average in their final year.

Achievement Awards

Presented to students who received outstanding marks in specific second year courses or who have demonstrated a combination of high academic standing, leadership, service and/or all-round achievement.

BCIT Alumni School Award

Presented to an outstanding student in the school. Students are nominated by the Technology Department with the final selection made by the Dean.
