PLUMBER

A plumber works with domestic hot and cold water, drainage waste and vent systems, hot water heating systems, sewage disposal systems and septic tanks. Many plumbers hold gas tickets because of the widespread use of natural gas in B.C.

All plumbing work in Canada is closely regulated. Accordingly, plumbers must become familiar with the National Building Code, the B.C. Plumbing Code and Municipal by-laws and amendments.

- Program Length: 6.5 months*
- Normal Course Hours: 0730-1415
- Regular intake on the first Monday of every month when space is available.

*PLEASE NOTE: Program length may vary up to 20% plus or minus for students who are faster or slower than average. There will be additional costs for students who exceed the projected length of the program. Students will not be allowed to proceed at a rate that would extend the length of the program by more than 20%.

Employment Opportunities

At this point, opportunities are primarily found in town in the housing and commercial sectors. Graduates of the program should be prepared to start as helpers in the trade as apprenticeships are difficult to find.

Course Content

- Use safe work practices
- Solve related math problems
- Solve related science problems
- Use piping hand tools
- Use specialized power tools
- Use piping equipment
- Use fasteners and fittings
- Use measuring tools and hand tools
- Describe the piping trades
- Select common piping materials
- Install valves, fittings, hangers, supports and sleeving
- Rigging and scaffolds
- Use oxygen acetylene equipment
- Read and sketch basic drawings
- Construct piping systems projects
- Select common plumbing materials
- Install and test low temperature hot water heating systems

- Layout and design piping drawings
- Maintain plumbing systems and components
- Install and test a drainage, waste and venting system
- Install and test a potable water supply system
- Install standard plumbing fixtures
- Prepare for employment

Course Costs*

Program Fees	\$568.75
Student Association Fees	\$ 45.50
Additional Cost (Books and Supplies)	\$110.00

*Applicants may also wish to see their local Canada Employment Centre regarding sponsorship.

NOTE: The above charges are due on the first day of class. Tuition fees and costs are subject to revision by BCIT's Board of Governors.

Prerequisites

- a. Must be able to work at heights and in enclosed spaces. Good physical condition is desirable. Potential students with any medical or physical difficulties should contact Student Services to arrange an interview (telephone interview if out of town) with the Institute's Special Needs Counsellor (604) 432-8433.
- b. Anyone over 16 who meets the following requirements may apply.

EITHER:

1. Submit documentation that you have one of the following:
 - Successful completion of Career Preparation from a B.C. secondary school within the past three years;
 - Successful completion of a portion of TRAC training from another B.C. post-secondary institution within the past three years;
 - Journeyman standing in a related trade;
 - Completion of one English and one Math course within the past three years with the stipulated mark as listed over.

MATH

Math 10 with a B letter grade
 Trades Math 11 with a B
 Consumer Math 11 with a B
 Algebra 11 with a C
 Algebra 12 with a P

ENGLISH

English 10 with a B letter grade
 English 11 with a C
 Composition 11 with a C
 Communications 11 with a C
 English 12 with a P
 Communications 12 with a C
 Literature 12 with a P

OR:

2. Pass an entrance test measuring math and reading skills.

NOTE: Those with only minor deficiencies will be admitted but will be required to complete remedial upgrading at BCIT as part of the program. Those who have major deficiencies will be referred to other institutions for upgrading and, after

successfully rewriting the entrance tests, may apply to Student Admissions to resume their original place on the Institute's waiting list.

Accommodation

For assistance in finding suitable accommodation, contact the BCIT housing office at (604) 432-8677.

Financial Aid

There is an improved financial aid program for trades training. Attend a one hour information session at BCIT held every Friday at 1:30 p.m. Make an appointment for the financial aid information session by phoning Student Services, (604) 432-8433.

Applicants may also wish to see their local Canada Employment Centre regarding sponsorship.
