FRI 7:30 - 3:30

Fun, fun, and more fun!

What do you get when you take some shoe polish and a busy streetcorner . . . add close to a thousand students and lots of laughs . . . toss in a chance at lots of great prizes . . . and top it all off with a pancake breakfast and a dance? You get SHINERAMA . . . and Shinerama '87 promises to be the best ever.

To start the day right, Shinerama kicks off on Wednesday, September 23rd with a pancake breakfast. You'll enjoy fresh, hot pancakes, muffins, coffee and orange juice. You'll also meet the BC Lions Cheerleaders and our Honorary Chairperson from the BC Lions. They will all be on hand to sign

autographs and answer questions. Sound like fun so far? Keep reading, there's more!

After breakfast, you'll hit the streets with loads of balloons and all the gear you'll need to keep you SHINING through the day. To keep your strength up, we'll pack you a lunch with lots of goodies. all you have to do is have fun. But wait! There's still more!

After a day of shining, you'll want to relax. Come on back to BCIT for a barbeque. There will be hot dogs, hamburgers and icy cold beer. You can listen to good music and get to know your fellow shiners. It's the perfect way to sit back and relax before

October 3rd. Shiner's get their tickets for half-price, and can pick them up when they return to BCIT on Shinerama day. Everyone is welcome.

The Shiner's dance always proves to be the biggest event of the year, and this year is no exception. There will be two bands playing - Wired and Wall Street. A tribute to those good old boys, the Blues Brothers,

the pressures of studies and school take over your social life.

And don't forget, there will be lots of great prizes available to everyone who signs up for Shinerama. There will be prizes for the best technology, best costume, most original costume, best residence team and lots, lots more. All prizes will be drawn at the Shiner's dance at the Commodore on Saturday,

Wired promises you'll dance 'till you drop and then dance some more. This one is not to be missed.

So don't miss Shinerama. It's a great way to start the year off right. And there isn't a better way to meet your fellow BCITers. So wear a costume (if you dare), join in the fun, and let's show Canada that BCIT is number one!

Getting through Shinerama day

Link Staff Report

It's SHINING time again! That's right, time for hundreds, possibly millions of eager students from BCIT to descend on unsuspecting Vancouver area citizens. Armed with polish, buffing cloths and donation cans, these students will be ready to shine the shoes and take the money of all passers-by.

However, some of you who plan to participate may be somewhat unfamiliar with the fine art of "getting the job done" once you've staked your street corner. The Link offers the following helpful hints.

1. SHINE THE PERSON'S SHOES ONLY AS A LAST RESORT! First try to get his or her wallet, empty it and then replace it while the subject is looking for directions

2. If this indirect approach to fund raising is not possible, or one member of your shining group is arrested, confront prospective donors directly and threaten them with the curses of your ancient ancestors who will haunt them while they are alone in their bathtubs.

3. If the prospective donors are still not dishing out any cash, get down on your knees and whimper and cry hysterically. This will embarrass most people sufficiently that they will throw some change your way.

4. However, if the person insists on a shoe-shine while you're on your knees, sigh with great resignation and reach for your shining kit.

5. To make it more worth

your while, step on the shinee's shoes and scuff them up. This will ensure that they will be impressed with the terrific job you might do.

6. If your shinee still hasn't wisely changed his or her mind, choose your polish. Being supplied only with army surplus black and flaming red makes the choice easy, all you have to do is flip a coin.

7. Now apply the polish with caressing strokes, gently something it into the tiny creases of the supple leather, vinyl, or otherwise unidentified material.

8. Once the maximum amount of polish has been transferred from your fingers to the shoes, socks and pant cuffs of the shinee, attack with your brush while doing a Maori war dance around the shinee.

9. As you fall to the ground exhausted, remember to hold your tin can out beseechingly to the shinee, and then listen to the gratifying sound of money falling into the can.

10. Stand up, and start from step one again.

Good luck!

Marketing Challenges

Rhea Marchand, student president of the Marketing Technology, feels that Marketing has more school spirit and enthusiasm than ever before.

"Marketing is one big team, and this year we are going to prove it. We are going to win the prize for the most Shiners participating in Shinerama."

Marchand challenged all other technologies to get involved and try to outshine Marketing.

"Hospitality and Tourism have won two years in a row," Rhea noted, "but I also know we've got what it takes to win. See you there!"

All this week - buy one cup of coffee and your friend's coffee is FREE!!!

Parking rules

1. General

All vehicles parking on campus day or night must display a valid InSTITUTE parking permit. Paid parking is in effect 24 hrs all year. Parking and traffic is administered and controlled by the Safety and Security Department, Building 2T, phone 432-8719. Parking Office hours are 0700 - 1600 Mon - Fri. Improperly parked vehicles or vehicles not displaying valid permits are subject to impoundment off campus at the owner's risk and expense. License numbers of impounded vehicles are posted at the entrance to the parking office, Building 2T together with the name and location of the towing company. Persons parking on campus are encouraged to read the Parking and Traffic Regulations available at the parking office. Vehicle should be kept locked at all times. BCIT does not accept liability for theft from, or damage to, vehicles parked on campus.

2. Purchasing Parking Permits/Parking Areas

(a) Full time students

Subject to revision, parking fees for the Sept - May school year are \$35.00 for vehicles and \$17.50 for motorcycles. Permits may be purchased at the parking office commencing April 1 each year and sold on a continuing basis thereafter up to the capacity of the parking areas. Day student permits are valid day, night and weekends/ holidays.

(b) Part-time students

Subject to revision, parking fees are \$5.00 per term, e.g. Sept - Dec. Permits must be purchased for each term. Permits may be purchased during the first three weeks of each term as follows:

1. Parking Office 2T

0745 - 1900 Mon - Thursday

2. Admissions - Building 1A

1630 - 2030 Mon - Thurs
0830 - 1230 Sat.

3. Bookstore - Bldg. 2D

1630 - 1900 Mon - Thurs
0830 - 1230 Sat.

4. Downtown Education Centre - 549 Howe Street

0830 - 1830 Mon - Thurs
0830 - 1630 Fri (all year)

NOTE: Permits may be purchased at the parking office 0700 - 1600 Mon - Fri all year.

Part-time permit holders may park in the following areas after 1700 Mon - Fri and weekends/holidays:

1. All student 'A', 'B' and 'C' lots.
2. Most staff lots - see below.
3. Parking meters

NOTE:

- (a) Meter spaces adjacent to the Bookstore are reserved 24 hrs for handball/squash patrons.
- (b) Staff lots 1, 2 and 4 and meter spaces on White Ave. south are reserved for females driving alone on a first come first served basis.
- (c) Staff lot 3 is reserved for part time instructors.

3. Handicapped Parking

Special parking arrangements are available by contacting the parking office.

4. Parking Violations

To avoid vehicle impoundment, please note the following:

- (a) Ensure that a valid permit is displayed at all times while parked on campus day or night.
- (b) Park only in areas authorized by permits.
- (c) Do not park in fire lanes, blocking fire hydrants along yellow curbs, on roadways or anywhere not designated for parking or that impedes free traffic flow/pedestrian safety.
- (d) Do not block off another parked vehicle.
- (e) Do not use parking permits fraudulently.

5. Vehicle Assistance

Vehicle breakdowns or other problems should be referred to security staff who will assist if possible.

EDITORIAL

Welcome to the Link

Welcome to the Link, BCIT's very own community newspaper. We publish every Wednesday morning during the school year, with 4000 copies of the Link finding their way to distribution boxes strategically located from one end of campus to the other.

Our mandate is to inform, challenge and entertain the entire campus population, from part-time students in any trade or technology to the BCIT prez himself. Therefore, we welcome submissions from anyone on campus, on a very wide variety of subjects, ranging from tech events to government education policy; in a wide variety of forms: letters, articles, features, cartoons, photographs and so on.

Drop by the Link office, located in the SAC east hall, and let's discuss how you can get involved.

In the meantime, watch for a whole new look to the Link as we finally get our desktop publishing system into high gear, hopefully sometime in the next two or three weeks.

Good luck with your studies!

Trades Challenge

Retail Meat Processing, winners of the June Trades Challenge Program, proudly modelling their t-shirts.

Carpentry is seeking revenge against Retail Meat Processing for knocking the Carpentry ELTT class off as champions of the Trades Challenge program. Since the challenger selects the sport, Carpentry's strong soccer team was no match for Retail Meat's softball team. But such is the way of the Trades Challenge.

The Trades Challenge program is designed to be flexible to encourage trade groups, no matter how long they are at BCIT, to get out and participate. Teams can challenge any group they wish in any of the sports listed below and points are awarded for wins, ties, etc. Points are compiled monthly and the team with the most points is awarded the plaque and all members receive crested t-shirts. The more you participate the better your chances of winning are.

Long time S.A. employee retires

Phil Henderson has finally retired from the Student Association after 16 years with the organization. His final day on campus was June 30, 1987.

Henderson joined a small but rapidly growing Student Association in 1971, shortly after completion of the Student Activity Centre. He advised successive student councils on association business and was responsible for overseeing S.A. retail and service operations.

Most recently, Henderson has been serving as Senior Advisor to the Student Association.

In a letter to S.A. employees, Henderson said the past 16 years has been the "most enjoyable" in his life.

"I have really appreciated the chance to work with a vibrant student organization and I shall

always remember the wonderful times...I enjoyed."

But will the Duke eat at Duke's?

The Protocol Office in Victoria has confirmed that HRH The Prince Phillip, Duke of Edinburgh will visit BCIT on October 15. The Prince, who will be in Vancouver during the Commonwealth Conference, will tour the Robotics and Prosthetics laboratories and view demonstrations of the IBM interactive videodisc and ARCS Lab projects.

Hansen Week

During Rick Hansen week at BCIT (May 4 - 8) staff and students raised a total of \$2500 for the Man in Motion campaign. The money was raised through Man in Motion button sales, a celebrity wheelchair basketball game and several other special events held that week.

Hansen passed through Burnaby on May 22.

Recommended Team Sizes:
Wallyball - 6, Volleyball - 9,
Slo-Pitch Softball - 12, Outdoor
Soccer - 12, Flag Football - 10,
Indoor Soccer - 10.

The challenging team has the choice of sport.

Submit a team registration form to the Recreation & Athletic Services Office including the sport and preferred playing dates.

All games must occur within 7 days of the challenge being made.

All games will commence between 2:30 and 3:15 p.m. depending on team availability.

Postponement of games may

only be made 48 hours in advance of game times.

Referees will be provided where necessary.

A laque is awarded monthly on cumulative total point based on the following system:

Win - 4 points.
Tie - 2 points.
Loss - 1 point.
Default - 4 point loss.

The Kilometre Club

The Kilometre Club is sponsored by the Recreation & Athletic Services Department to encourage students, staff and alumni to keep active and participate in:

Cycling	Swimming	Running	Walking
To become a club member register at the Recreation & Athletic Services office.			
Monday - Friday from 10:00 a.m. - 2:00 p.m.			
			Registration Fee: \$3 per person/activity
Cycling: 600 km in 4 months	or a Run/Swim/Cycle combination based on:		
Swimming: 30 km in 4 months	1 km swimming = 4 km running		
Running: 150 km in 4 months	1 km running = 4 km cycling		
Walking: 50 km in 4 months			

Record your progress on the chart located adjacent to the Recreation & Athletic Services Office.

On completion of the appropriate activity a T-shirt will be awarded in recognition of your dedication to achieving your goal.

"Building Of the Future" Constructed on Campus

An R200 building is being built on campus on former parking lot 18, adjacent to the Machine Shop. The two storey, \$400,000 structure is expected to attract up to 600 delegates from over thirty countries who will be in Vancouver this fall attending the 4th Annual International Housing and Home Warranty Conference. According to BCIT officials, the building will also be a valuable new teaching aide for all BCIT programs involving the building trades.

An R2000 building, sometimes called The Building of The Future, reflects the most up-to-date Canadian housing design and equipment specifications. It will be as a training aide in all BCIT

construction programs. The Canadian Home Builders Association, which develops the standards, will also be using the space for training purposes.

The Canadian Home Builders Association will pay all construction costs while BCIT has agreed to provide the site, utilities and maintenance services.

The only one of its kind in B.C., the R2000 building will provide a model classroom for teaching the latest applications of the Canadian home building code such as vapour barrier installation and ventilation. Instead of concrete foundation, the building will rest on a preserved wood foundation.

The building will be equipped with classrooms, seminar space, meeting rooms, a technical resources library and assembly/demonstration areas. BCIT will be responsible for administering the building and allocating teaching space.

Construction of the building will be finished in time for the September 27 start of the international conference. The entire construction process will be videotaped and made into training films by Carpentry instructor Wayne Stevens. Project manager is Derek Turner of the Canadian Home Builders Association.

Complete Medical Services

Medical Services is here to help meet your health needs while attending BCIT.

WHO'S ELIGIBLE FOR CARE

Generally all students and staff currently enrolled or employed at BCIT are eligible for care.

Patients who wish to see a doctor must have valid medical coverage (information and application forms are available from Medical Services for both MSP of BC and private medical insurance). Emergencies are always seen. Out of Province students should make sure that their provincial health care cover is up to date and they should use this when using Medical Services. Students from outside Canada will need short term private medical insurance until they are eligible to apply for MSP of BC.

If you have cover with the MSP of BC and are a Canadian citizen or landed immigrant with 12 consecutive months of residency in BC you may be eligible for reduced payments depending on your taxable income for the previous year (you can get up to 95% off your payments so it is well worth while checking with us).

If you are under 25 and a fulltime student you may also remain on your parent's plan, providing the parent (not the student) contacts the plan

regarding this.

For any further help, contact Medical Services.

HOURS

Medical Services is open from 0830 to 1630 hrs, Monday to Friday. Should the need for urgent help arise during hours when Medical Services is closed, call 522-2211 or 522-2311 for a

from 0830 to 1230 hrs.

WHAT'S HERE

Medical Services provides a wide range of out patient services during the hours listed above.

Clinical Office:

Patients are seen on a drop in basis. Appointments are required for full physical.

Dr. B. Copping (director):
Mon-Fri 0830 - 1630;
Dr. D. Mullard: Mon & Wed
0830-1630 and Fri 0930 - 1300;
Dr. J. Hurst: Tues & Thurs
0830 - 1630.

Registered Nurses are also available to help with any questions or problems.

The clerical support staff will greet you when you come to Medical Services, and assist you in filling out any necessary forms. They will make sure you get to see the appropriate doctor or nurse, and are happy to help you with any queries regarding medical insurance. PLEASE HELP THEM BY BRINGING YOUR MSP or insurance number on your first visit.

All treatment is confidential and the staff is here to help you.

SPECIAL CLINICS:

Medical Services operates special clinics in those areas most relevant to the medical needs of young adults. Some special clinics require referral by a Medical Services doctor.

1. Dermatology Clinic: by referral only. This clinic aids in the diagnosis, treatment and follow-up of skin disorders.

2. Physiotherapy: by referral only. Physiotherapist, Ralph Wyatt, is available Mon-Fri.

3. Mental Health: a psychiatrist is available by referral. But is you want to talk to someone "right-now", please feel welcome to come to Medical Services.

4. Wart Clinic: on a drop in basis, Thursdays, from 1000 hrs to 1600 hrs. This clinic specializes in the removal of warts. First clinic is September 17, 1987.

5. Immunization Clinic: on a drop-in basis. This clinic will review your personal immunization needs. We can also provide advice and injections for foreign travel.

6. Blood Pressure Clinic: held twice a year on a drop-in basis, or you are welcome to have your blood pressure/weight checked at anytime in Medical Services.

7. Allergy Clinic: drop-in basis. This clinic stores materials needed for allergy treatments; it follows your doctor's schedule of injections for desensitization. Remember

Clean Air At BCIT

Students, staff and visitors are reminded that BCIT is a clean air campus. This institute policy, implemented last January 1, 1987, provides a smoke free environment for employees, students, and visitors. Consequently, smoking is restricted to the following areas: Electrical Training Center - the smoking section of the cafeteria. Food Training Center - the smoking section of the cafeteria. Inglis Building - North lobby at the entrance of the lower floor, - the smoking section of the cafeteria on the second floor. Student Activity Center - the smoking section of Growlies. 1A Building - the enclosed balcony lounge at the south end of the second floor. 2N Building - the smoking section of the Campus Cafe. All other areas (foyers, entrances, lobbies, hallways, stairwells, restrooms, elevators, classrooms, meeting rooms, stores, and offices are nonsmoking.

To be effective everyone's cooperation is needed. Should you see people smoking in other than the designated areas, please politely remind them of the policy.

This clean air policy is part of providing a clean and healthy Institute environment.

Len McNeely,
Vice-President, Administration
BCIT

New publication planned for C.E. students

Technology Tonight, a publication for continuing education students, will resume publishing with an issue this September. The publication, which was published in tabloid form in 1984/84, is being revived by the Student Association in an effort to better serve the C.E. component of its membership.

The new Technology Tonight will appear as a newsprint magazine and will be published quarterly. It will feature not only articles on BCIT services and facilities, but articles on technology, continuing education and the professional organizations that work with BCIT.

Anyone wishing to write for Technology Tonight is invited to contact S.A. publisher Don Wright at local 5517. Articles are invited on a wide range of subjects, from reports on one aspect of a course or program to reviews of advancements in technology and education in general.

Jones on his way to F.V.C.

Dr. Peter Jones, vice-president of Student Affairs at BCIT, has been chosen as the next president of Fraser Valley College. He takes over at the multi-campus college August 15.

F.V.C. board member Norma Kenney was quoted in the Abbotsford News as saying that Jones will bring to the college "extensive leadership experience, a depth of knowledge and the vision and energy to take the college into the 1990s."

Jones, who joined BCIT in 1984 as a dean, became vice-president of student services and educational support in 1985. Prior to coming to BCIT he served as director of university development at UBC and executive director of the UBC Alumni Association.

Calling all VCC grads

Any Vancouver Community College graduates out there?

If you are one of an estimated 300,000 people who have attended classes at the King Edward, Langara or VVI campuses; give your new alumni association a call at 875-1131. They want to hear from you.

ALUMNI UPDATE

BY NICKI MAGNOLO

Welcome to BCIT! And, to all the second year students, welcome back. Graduates, like myself, remember just how crazy and confusing the start of the school year can be. We want to help make your school year as pleasant and productive as possible.

In the grab bags handed out at Registration there is a pamphlet on the Alumni Association. It highlights some of the services we offer that could benefit you such as:

Work Study Positions

We have five jobs available right now. If you submitted a BC Student Assistance application and have demonstrated financial need you may apply. Just go to the Canada Employment Centre in the 1A Building for details.

Regional Entrance Awards

Eleven first year technology students could receive Regional Entrance Awards equal to first term tuition (less student activity and commitment fees).

If you are in the first year of a two year technology program and have moved from outside the Lower Mainland to attend BCIT you could be eligible. Pick up an application form from the Alumni Office in Trailer 1D, behind the Bank of Commerce or from the Financial Aid Office in the 1A Building. The deadline for application is Friday, September 25, 1987, so don't delay.

Alumni Bursaries

To apply contact the Financial Aid Office. Bursaries are given out based on financial need. These bursaries are made possible by graduate donations. We know how tough it is to get an education and we're doing what we can to make it easier for you.

Our office is open Monday to Friday, 8:30 am - 4:30 pm and the coffee pot is always on.

Please drop by and see us or give us a call at 432-8847 if we can be of service.

Medical Services continued

to allow for your observation time in scheduling your drop-in time.

8. Dentistry: not available on campus - however, don't despair. There are various clinics we can refer you to and have your needs looked after.

9. Health Fairs: are held three times a year in the SAC lobby. The intent of the health fair is to give you the tools and knowledge you need in order to actively participate in maintaining your good health. Watch for announcements of these special events.

As an added convenience, day-care beds are available.

Some medications, free of

charge, are available from medical services. When your doctor prescribes a medication do not stop taking the medication as soon as you feel better. Continue to take the medication until you finish the entire prescription. There is a sound reason for this advice; it usually takes longer to knock out the symptoms. If you don't take all the medication, you may find the disease returning.

What is the Campus Centre

By Troy Nagy
Campus Centre Project Director

For those of you that have heard the rumours that a Campus Centre is on its way. The rumours are all true. For those who have not heard about it, I will attempt to answer five basic questions that will update you on the exciting student driven project.

What is the Campus Centre?
The Campus Centre is an exciting building project that will house a cross-section of the

Quitters Say Join 'Em

Two campus ex-smokers are encouraging others to beat the habit - through a display "Live it up - stop smoking - relax".

The "arresting" exhibit inside the library entrance includes audio tapes to relax by, and videos and books showing stress reduction techniques - along with facts, figures and props on the toxic chemicals in tobacco smoke provided by the B.C. Lung Association.

As a follow-up to the deliberations of the campus Smoking Policy Committee, and the implementation of the Clean Air Campus, Len McNeely, vice-president, Administration, is promoting an awareness campaign this fall. Shauna Affleck, of Computer Systems Technology, and Sheila Ferry, Health Sciences Librarian, were happy to tie-in with the display they hope will help others to see the light rather than light up.

Out of Towners Orientation

Purpose: an opportunity for first year and transfer students to meet students form their home region. In addition, Student Services personnel will be available for any information and assistance.

Date: Wednesday, September 16.

Time: Informal drop-in between 12:00 - 1:30, refreshments will be provided.

Place: Building 1A, Room 201
For further information contact Howard Peto or Stu Gibbs at Student Services.

Are You Returning To School

Adult Returning Students Orientation:

- Resources and support services on campus will be presented
- Discuss topics of interest and relevance to returning students
- Meet other mature students on Campus

Date: Thursday, September 24, 12:00 - 1:30 in Building 1A, Room 201.

For additional information contact Howard Peto or Jean Spence at Student Services.

Elected V.P. not returning

Scott Cramb, elected last spring to serve at 87-88 Vice President of Finance and Administration of the Student Association, is not returning to BCIT this term.

The position will remain vacant until filled by appointment by Student Council at its first meeting later this month.

VIEW OF LOBBY

Institute community. Tenants of this 45,000 sq. ft. facility include:

- 1) The Student Association and many of its businesses (i.e. SAMS, LINK, TNT, Social Club) will be centralized on campus.
- 2) A staff social club will give all BCIT staff from senior administration to janitorial a place to gather with a warm friendly atmosphere.
- 3) The Alumni Association will have a permanent home on campus.
- 4) The Bookstore will be expanded and provide better service to the institute population.

Where is the Centre to be located?

The site for the Centre is between the bank and Goard Way just as you enter the campus off Willingdon Ave. Currently, there are portables situated on the site. A European turning circle will be the new entrance to the institute. A plaza complete with a high-tech clock tower, reflecting pool, seating areas, and tree canopy will bridge Goard Way thus diverting traffic through a "Granville Island" type of parking area. This parking area will not be the standard expanse of asphalt flat that is currently vogue at BCIT but will be cobble-stone with a great number of trees for shade and a "chain and bollard" type of stall, with the Centre situated at the entrance to the institute, it will be a statement suggesting the high-tech aspect of the institute. Not only will this building and site be visually appealing, but it will once and for all eliminate the distinction between north and south campus (old PVI and BCIT) and the "New BCIT" will be truly unified as one campus.

Who is paying for the Centre?

The total cost of this project is \$5.4 million. Of this, the tenants will be paying for \$3.6 million, the government is being asked to contribute \$1.2 million, and a private fundraising drive will net \$600,000. The private funding drive will mainly target the graduates of BCIT as the major source of revenue. The Alumni Association has been very co-operative and is extremely enthusiastic about launching the funding campaign. The goal is to raise \$750,000 over three years, of which the project will net \$600,000.

The government is being asked for \$200,000 from the Lotteries Corporation and \$1 million from the Advanced Education and Job Training Ministry through the Educational Capital Financing Authority. The E.C.F.A. issues debentures against the Canadian Pension Plan to be paid back

over a number of years so theoretically it will not take any educational dollars from Victoria to help build this Centre, as the lottery revenues from lottery ticket sales and the outstanding debentures will be paid back by the Treasury Board.

Provincial Secretary and local M.L.A., the honourable Elwood Veitch has been very supportive of this project and is a great friend of BCIT. Mr. Veitch recognizes the need for this Centre and is spearheading the lobby in Victoria (for which I sincerely thank him).

The tenants of the Centre will generate \$450,000 in revenue annually to be put towards retiring the \$2 million bank loan and will put a "down payment" of \$400,000 toward the building once we are ready to move in. Again, there are no institute educational dollars earmarked for this project.

The parking lot will produce \$17,430 per annum, the Bookstore will contribute \$85,000 per year (through sales revenue) the Staff Club will contribute \$25,000 per year (through voluntary paycheque deductions and operating revenue) and the Student Association will contribute \$322,570 per year.

The SA contribution breaks down as follows: 1) Technological Student Building Fund: \$160,000 (4000 students @ \$40/year - already in place), 2) North Campus Building Fund: \$25,000 (students pay \$2/month), 3) Continuing Education Centre \$35,000, 4) Outside Retail Space Retail: \$10,000, 5) SA Businesses: \$32,570 (based on sq. ft. occupied), Total: \$322,570.

As shown, there will be no further charges to students as all building fund contributions are currently in place.

When is the Centre going to be build?

Campus Centre construction start is being slated for May 1, 1988. The Centre is accessible to all Alumni members, so '87, '88, and '89 graduates will be more than welcome to use any and all aspects of the Centre.

Why does BCIT need a Campus Centre?

Not only will this project give BCIT a much needed injection of vitality enhancing the institute's physical presence to the general public but the Centre will provide facilities and spinoffs that are now lacking at BCIT.

The Centre will provide much needed study and lounging space for the student population. Since BCIT works on the "set" and "individual trade" system, this

building provides space for working on group projects, studying for exams, etc.

The Centre has excellent meeting and seminar space that can be used in a myriad of ways. This meeting space will allow industry to come on campus to interview students for employment, provide advisory committees and other external groups to meet in a friendly atmosphere, allow an area for on-campus professional development for staff, alumni, and student groups to meet (I could go on!).

There is an amphitheatre for guest speakers and student presentations. Lots of outdoor lounging areas. A place for staff to "get away" for lunch or after work. Lots of retail space. A place for socializing.

Spinoffs that are a direct result of the Campus Centre are: a dynamic recreation centre in the SAC once the SA vacates. Prime educational space becomes available after the bookstore vacates its premises. Gives the institute a "one-stop shopping" concept as Administrations, Counselling, Financial Aid, Student Association, Bookstore, and Administration are all front and centre in the institute instead of spread all over campus. Enhances student environment thus positively impacting on recruitment, etc., etc.

Watch for more information on this exciting project in future issues of the Link, and especially watch for the Campus Centre Post Card Contest. Details are in this issue.

Campus Centre Postcard contest

Postcards of the proposed Campus Centre will have been sent out to everyone on campus by the end of the week. A free contest with great prizes is being run in tandem with this distribution, and we invite all of you to enter.

It won't take anytime and everyone has an equally good chance of winning. Called 'count the oddballs', the aim is to count the number of oddities in the postcard, and to make things easier for you, we will be displaying the original design of the card, together with the model of the proposed centre, on campus over the next few weeks. Keep an eye on this column for locations, dates and times.

The contest has very few rules all listed on the entry form; but remember only one entry per person, no multiple entries or alias allowed!

Extra postcards can be obtained 'free of charge' from the S.A. information office, SAC building, resume services, 4th floor, JW Inglis building and any of the T'NT stores on campus. So good luck and happy hunting.

Prizes include:
A grand prize of a weekend for two to Harrison Hot Springs Hotel; including dinner Friday and Saturday; 2nd prize - \$50.00 cash; 3rd prize - 10 racquet court passes; and more!

ENTRY FORM CAMPUS CENTRE CONTEST SPOT THE ODDBALLS

Name: _____ Tech: _____

Address: _____

Phone: _____

I have counted _____ number of Oddballs on the card of the Campus Centre.

I agree to abide by the rules listed below.

Signed: _____

Rules:

1. Only 1 entry per person is allowed. Anyone found entering more than once will be disqualified.
2. The contest is open to everyone on campus except relations of architects and campus centre staff.
3. In case of a draw, the prize will be split, or an elimination contest will be held.
4. The judges decision is final.
5. Winners will be announced in The Link & Update.

Entry forms may be deposited in:

CLUBS

Sign up week September 28 to October 2.

ARCHERY: Begins September 29. Shoots regularly in the gymnasium on Tuesdays and Thursdays from 7:00 to 8:15 a.m.

AUTO SPORT: Activities will include regular meetings, car rallies and more.

AVIATION: Regular meetings with possible excursions highlight this club's activities.

BALLROOM DANCING: Free Introductory Session on Sunday October 4
7 sessions for \$20
Begins Sunday October 18
All sessions held on Sundays between 7:00 - 9:00 p.m. in the Common Room of Building 3A

CHESS: Games are held every Wednesday from 11:30 - 2:30 p.m. in room 347 of the J.W. Inglis Building. Money tournaments will be held later in the year. See Karl Borner in room 336.

CURLING: Organizational meeting Friday, October 9, 5:15 p.m. at the Burnaby Winter Club.
Curling begins on Friday, October 16, 4:45 - 6:30 p.m.

HAM RADIO: A new club this year. It will concentrate on introducing ham radio operations to members with the possibility of training them for their licence.

OUTDOOR CLUB: A series of regular hikes, moderate and strenuous, are planned. Cross-country trips will be arranged later on in the year. Activities begin September 26.

PHOTOGRAPHY: The club is open for suggestions, anything from workshops to field trips.

SCUBA: Regular dives are set-up and certification lessons are being arranged.

SHISEI-KAI KARATE: Trains Monday and Wednesday, 8:30 - 10:00 p.m. in the Common Room of Building 3A. Fee is \$75.00 (3 payments of \$25). Late starters can be pro-rated. Starts Monday September 14. Interested? Take your first lesson free!

SKI: Universki, a week-long ski fest, is planned for Whistler/Blackcomb for mid-December (after exams). More trips will be scheduled in the winter term.

SKY DIVING: First Jump lessons available at any time and regular jumps held at the Pitt Meadows Airport.

TENNIS: Beginning in October indoor court time will be made available.

NON-CREDIT COURSES

The Recreation and Athletic Services Department offers a wide variety of courses and workshops which will appeal to most students. Registration for any of them can be done through the Recreation and Athletic Services Office Monday-Friday from 10:00 a.m. - 2:00 p.m.

PERSONALIZED FITNESS
(Aerobics to music... It's for you!)
Monday September 21 - Friday December 4

MORNING SESSIONS: Monday, Wednesday, Friday
7:05 a.m. - 7:50 a.m.

AFTERNOON SESSIONS: Monday, Tuesday, Wednesday, Thursday
4:40 p.m. - 5:25 p.m.

FEE: \$30.00 per term entitles you to attend any or all of the classes within the sessions.

\$2.00 drop-in fee per class

Amount of classes is subject to number of registrants.

ARTS, CRAFTS AND GENERAL INTEREST COURSES

TIME: 12:00 - 2:00 p.m. FEE: TBA

CLASS	DATE
Introduction to Wine Making	Wednesday, Oct. 14
Introduction to Paper Tole	Wednesday, Oct. 21
Introduction to Dough Art	Wednesday, Oct. 28
Introduction to Stained Glass Art	Wednesday, Nov. 4

How to Purchase a Computer	Wednesday, Dec. 2

FACILITIES

BCIT offers a variety of indoor and outdoor recreational facilities designed to appeal to most students. These include four racquetball/handball courts and two squash courts; an excellent gymnasium accommodating either eight badminton, two basketball or three volleyball courts, it is also used for many other sports and recreational activities. Our activity room is equipped with a universal gym, free weights, exercise area, table tennis, ballet barre and much more. Four tennis courts, one sports field, a fitness trail, as well as a 396 metre track offer excellent outdoor recreation. Complete shower facilities, change and locker rooms for both men and women are included.

HOURS OF OPERATION

SEPTEMBER - MAY

Monday - Thursday 7:00 a.m. - 11:00 p.m.

Friday 7:00 a.m. - 9:00 p.m.

Saturday and Sunday 9:00 a.m. - 9:00 p.m.

JUNE - AUGUST

To be announced.

Facilities hours are subject to change. Check with the Recreation Equipment Office for any changes in the schedule.

FACILITIES AND SERVICES - HOW TO USE THEM

BOOKING THE GYM

All students, staff and alumni are encouraged to use the recreation facilities. Lockers, towel service and laundry services are available to rent.

Most equipment is provided on loan; current BCIT identification is mandatory. There is a nominal rental fee for balls, birds and racquets.

There are many structured programs to participate in as well as plenty of recreation time when the gym is available for your own activity. Check the facility schedule for open and programmed times.

HOW STUDENT OR STAFF GROUPS CAN BOOK GYM TIME

Gym time is available three specified time periods each week. BCIT groups can book half the gym. This program is known as challenge bookings, and is set up so groups can get together and enjoy a recreational activity of their choice.

TIMES: Monday, Wednesday and Friday - 4:30 - 6:00 p.m.

GUESTS

Students and staff can bring a guest into the facility at any time. Guests cannot sign out equipment and are asked to follow all facility regulations.

HOW TO BOOK BADMINTON, TENNIS AND TABLE TENNIS FACILITIES

Bookings are made on a first-come, first-served basis with no charge for court time. You must check in and book the court at the Recreation Equipment Office. No pre-booking is allowed, and there is a 45 minute court time limit.

HOW TO BOOK SQUASH AND RACQUETBALL COURTS

Courts may be booked up to seven days in advance, Monday through Sunday.

Full names must be given for all bookings.

Bookings by students, staff or alumni may be made in person or by calling 432-8612. A current BCIT library card or BCIT picture ID card must be shown when making payment.

The general public may book courts in person or by telephone.

ARRIVING TO PLAY

All players are required to pay at the Recreation Equipment Office prior to using the court.

LATE ARRIVALS

A 10 minute grace period is provided for players to claim their court. If the court was not prepaid and is left unclaimed, it may be resold to someone else.

SINGLES

A person may book a court for practice or hold a court if a partner does not show.

PRIVATE LESSONS

The Recreation and Athletic Services Department reserves the right to book court time for private lessons.

PRIME TIME RATES

BCIT Students	\$5.00 per court booking
BCIT Staff/Alumni	\$6.00 per court booking
General Public	\$7.00 per court booking

NON-PRIME TIME

Hours	
Monday - Friday	prior to 11:30 a.m.
Monday - Thursday	1:30 - 3:30 p.m.
Saturday and Sunday	all day

Rates

Students	10 tickets/\$35.00
BCIT Staff/Alumni/Part-time Students	10 tickets/\$45.00
General Public	10 tickets/\$55.00

Save \$1.50 per court booking.

BE A LEADER IN YOUR TECHNOLOGY OR TRADE... "BE A SPORTS REP"

The Recreation and Athletic Services Department requires elected Sports Representatives from each technology or trades program from across the Institute. The Sports Reps are the key to keeping students involved and informed about the programs and services we offer.

A Sports Rep's job is very enjoyable and rewarding. We are looking for enthusiastic people interested in recreation and sports, who will attend an orientation and will also attend meetings once a month. The role is one of keeping people informed, encouraging fellow students and staff to participate, and assisting with registration of teams for intramurals, special events, non-credit courses, and what is happening in clubs and inter-collegiate athletics.

First Sports Reps Training Session: Tuesday, September 15, 5:30 - 9:00 p.m.

There's more to Student Assistance than just Student Loans

Student loans are the foundation of student financial assistance in British Columbia. A number of other programs to supplement these loans are also provided by government, post-secondary institutions and private sources. These programs put money directly in the hands of students with demonstrated financial need.

The basic student loan

The provincial and federal governments provide yearly loans to post-secondary students with **demonstrated financial need**. No payments or interest are due until six months after leaving school. In British Columbia both the federal and the provincial programs are administered by the B.C. government. Application forms are available from all public post-secondary institutions.

Work Study

The provincial government funds part-time employment for students who need to earn extra money. Generally these jobs are related to some type of campus service (such as the library) or to a student's field of study. This program is administered by the Financial Assistance Offices at each participating British Columbia post-secondary institution.

Adult Basic Education Student Assistance Program (ABESAP)

Direct financial assistance for students completing high school level programs at a community college.

Bursaries and Scholarships

A variety of bursaries and scholarships are administered by post-secondary institutions in British Columbia. As a rule bursaries are awarded on the basis of financial need and scholarships on the basis of achievement. Funds for these awards come from private donors, foundations, corporations, service organizations, government, and from individual universities, colleges, and institutes.

New programs to reduce student loan debt

Last spring three new programs to reduce student loan debt were unveiled by the British Columbia Minister of Advanced Education and Job Training, Stanley B. Hagen. These programs, which are **based on financial need**, include:

Supplemental Funds: provide direct assistance to Adult Basic Education college students preparing for post secondary training. This assistance helps reduce the level of student debt by reducing the need to borrow.

Equalization: provides direct financial assistance to students in their first year of post secondary study. This program is **targeted at those students whose financial needs are the greatest**. In August 1988 this will be extended to also include students entering second year. Like the Supplemental Fund, Equalization reduces the level of student debt by reducing the need to borrow.

Loan Remission: reduces student loan debt of new graduates to a maximum \$12,000 — regardless of the amount borrowed. This limit is raised to a total of \$16,000 after a second degree.

These new programs require students to make a personal contribution during the summer* by working, studying or volunteering in the community.

*summer or any pre-term break longer than thirty days
