

The mission of BCIT is to provide British Columbians with world-class, job-ready skills for career success.

VOLUME 4, ISSUE 6

NOVEMBER 5, 1996

Mission Responsible

Students take the challenge...

The Tricycle Challenge.

As part of National Collegiate Alcohol Awareness Week (Oct 21-25), BCIT students took the challenge: to think responsibly and safely when they choose to consume.

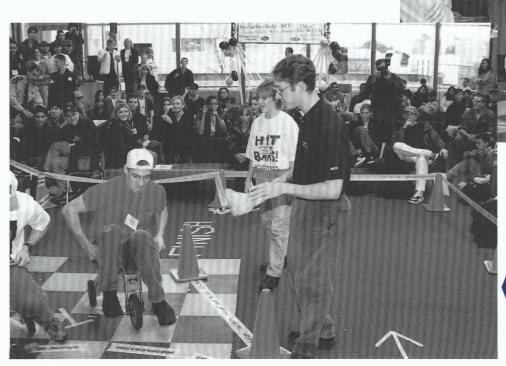

The awareness week was organized by a group called BACCHUS, Boosting Alcohol Consciousness Concerning the Health of University Students. This is an alcohol education group that holds a warehouse of information of wellness issues for post-secondary students.

One way of getting the message across was to stage the Mission Responsible Tricycle Challenge, where three students consumed enough alcohol to bring them over their driving limit, and then attempted to ride a tricycle through a course.

Indy Car racer Greg Moore kicked off the event and the three riders manoeuvred their trikes around the indoor race course in the Great Hall.

At the end of the race RCMP Sgt. Don Brown conducted a breathalyzer test on the participants. Also on hand were Rod McInnis, youth spokesperson for the Breweries Association of Western Canada and Mike Usher, BACCHUS master of ceremonies, to spread awareness about drinking and driving.

— from Krista Dennett

Dave Williams, president of the BCIT Student Association is encouraged by event organizer Krista Dennett.

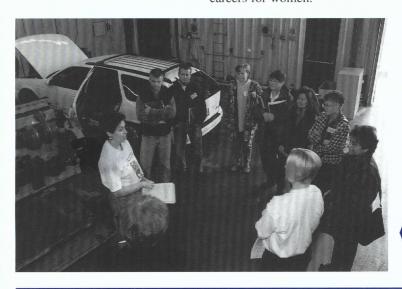

Indy Car racer Greg Moore watches the race as BCIT student Mark Rose takes the corner.

BCIT celebrates Science and Technology Week

BCIT recently hosted a one-day event, *Discover a "World" of Careers for Women*, as part of British Columbia's eighth annual Science and Technology Week. The week-long celebration of science and technology encourages youth to

explore the link between science and technology and future careers.

This year the institute joined forces with Simon Fraser University to co-host an event to provide valuable information on careers for women.

Counsellors, elementary and high school teachers participated in the day dedicated to learning about the many rewarding careers available to women in science, technology and trades related fields.

The highlight of the morning session at BCIT was a panel discussion featuring women in trades and technology. Panel participants were: Anne St. Eloi, coordinator BCIT Women in Trades; Elizabeth Grey, civil engineer and BCIT instructor; Malanie Morin, BCIT Mechanical Technologies; and Amber Hawes, BCIT student, Trades Exploration for Women.

Participants toured the campus, including a stop at the Automotive department.

BCIT tour guides (Back L-R) Keith Errington, Jackie Grandbois, Tony Barren, Kim Fontaine, Doug Deans. (Front L-R) Jackie Lundman, Jennifer Pritchard, Elaine Wilson.

The lively event was facilitated by Donna McDuff, program head, Physics and Engineering Technology. The Honourable Sue Hammell, Minister of Women's Equality, was the guest speaker. She enthused over supporting any activity that would support training for women.

A special thanks to BCIT staff who volunteered as tour guides.

Upcoming lunch and learn sessions:

The time of your life (time management)

Living in the turbulent 90s is becoming increasingly demanding, stressful and fast paced. Many people seem to be racing around in a fitful, frantic, frenzied, frenetic fashion. In this thought provoking, leading edge and inspiring look at time

and life management, Greg
Campeau of Campeau
Learning & Development Inc.,
will dispel some debilitating
myths commonly held about the
field of Time Management and
help participants discover the
vital importance of building
high self esteem through
successful self management.
Participants will have a lot of
fun while learning the two key

productivity principles that define working smarter and how to implement these principles into their lives.

Date: Tuesday, Nov. 12 Time: 1200 to 1300 Location: SW3 Room 3615

Self Defense: when you have to fight

You don't need to be a superhuman to defend yourself against a physical attack. There are many vulnerable areas of the human body – learn where they are. And learn the effective, simple techniques that can help you take advantage of this knowledge. When confronted and forced to use physical selfdefense, you may have only seconds to respond. Learning and practising just a few of the most effective responses can help to keep you safe.

Date: Thursday, Nov. 21
Time: 1200 to 1300
Location: SW1 Room 1205
Presenter: Donna Gardecki,
Pacific Self-Defence and
Awareness.

PAWWS (Personal and Workplace Wellness and Safety)

Here is the recipe for weight loss that made Oprah Winfrey slim:

- Exercise aerobically, five to seven days each week, preferably in the morning.
- Exercise in the zone, at a level seven or eight. The intensity of exercise to change your metabolism is usually 70 or 80 per cent of maximum heart rate.
- Exercise for 20 to 60 minutes each session.
- * Eat a low-fat balanced diet each day.
- * Eat three meals and two snacks each day.

- Limit or eliminate alcohol.
- Stop eating two to three hours before bedtime.
- * Drink six to eight glasses of water each day.
- * Have at least two servings of fruit and three servings of vegetables each day.
- * Renew your commitment to healthy living each day.
- from Make the Connection: Ten Steps to a Better Body and a Better Life

The influenza vaccine (flu shot) provided by the Ministry of Health will be available commencing Nov. 4 at Medical Services to the following:

People at high risk:

• Adults with chronic heart or lung disorders severe enough to require regular medical follow-up or hospital care.

now available

Influenza vaccine

- People aged 65 years or older.
- Adults with chronic conditions such as diabetes and other metabolic diseases, cancer, immunodeficiency, immunosuppression (including that of transplant recipients), kidney disease, anaemia, etc.

Care Providers:

Individuals potentially capable of transmitting influenza to those at risk should be given the vaccine. This refers to health care and other primary care givers who have extensive contact with people in the high-risk groups, including instructors in clinical areas.

For those who do not qualify under the above guidelines, they may get the vaccine at their doctor's office or purchase it themselves. It is supplied in a 10 dose vial (about \$45). Those who wish to, may get a group together and purchase the vaccine from a pharmacy and Medical Services will administer it for

Any questions, contact Medical Services at (604) 432-8608 in building SE16.

— from Jan Poersch R.N.

Staff news

Congratulations to Materials Management's Lynn Byer, who has been awarded the designation of Certified Professional Purchaser (CPP) by the BC

Institute of the Purchasing Management Association of Canada. The CPP designation is the highest achievement awarded by the BC Institute, recognizing experts across Canada and the rest of the world.

Congratulations to Finance's Lorna Peacock, who married her fiancé Jim Horcoff at a ceremony on Oct. 5.

Congratulations to Broadcast Communication's Brian Antonson, who became one proud grand-dude on Sept. 9.

Antonson insists on being known as a grand-dude in keeping with the 90s. He proudly shared a story of the baby's first smile for grandpa. Tristin Alexander was eight pounds, three ounces at birth and is growing steadily.

Staff Service and Recognition

Warm smiles and congratulations were in order at the Staff Service and Recognition dinner on Sept. 26.

Staff members celebrating their 20, 25, 30 and 35 year anniversary at the institute were recognized at the dinner.

There were 89 members of the BCIT community at the event, including recipients and their guests.

President Brian Gillespie celebrates 20 years of service with Frank Gruen of Operations Management, who celebrates 30 years of service.

Celebrating 20 years of service (L-R) Rita Richardson and

Hi-Chul Han, both with Computer Resources; and Lynn Garner, Office of the Vice President, Student Services, celebrates 30 years of service.

Gerry Moss, Vice President Student Services, and staff members celebrating 20 years of service including (L-R) Elizabeth Gdowski, Library; Mike Gdowski. AV Production; Carol Braden, Medical Services; Ann McNaughton, Program Advising; Hi-Chul Han, Computer Resources; Brian Gillespie President; and Rita Richardson, Computer Resources

BCIT Staff Service & Recognition 1996

A ceremony will be held on Dec. 10 to recognize staff who have reached 10 and 15 year milestones in 1996. The event will be held in the Rix Club at 1300. If you should be on the list or you know of someone that should be please contact Special Events at 8398 or e-mail mtraynor.

PROFILE

Broadcast instructor co-hosts BC's newest current affairs program

On Sept. 25, the Knowledge Network launched Studio BC, a weekly program offering indepth discussion on current provincial issues. BCIT Broadcast journalism instructor George Orr co-hosts the live show with Colleen Leung, providing penetrating analysis that goes beyond the reports of commercial program.

In his twenty years as a journalist and broadcast instructor, George Orr has had plenty of time to develop his own ideas of what current affairs programming should be.

"The daily news business is about exploring the crisis of the moment, and not about putting them into context," he says. News programs "masquerade as information but are really a series of stories about the elements in conflict in situations rather than

intelligent explorations of those situations."

As co-host of Studio BC, Orr says he "enjoys bringing context to the consumers of information."

...he hopes that his involvement in Studio BC will enable both his students and viewers to learn more about the issues facing us all, so that they can make informed decisions

Orr says he got into journalism because "I'm nosy and I like finding out things for myself." He started his career in 1978 as a news reporter at CKNW, and worked as assignment coordinator at BCTV for three years. He then

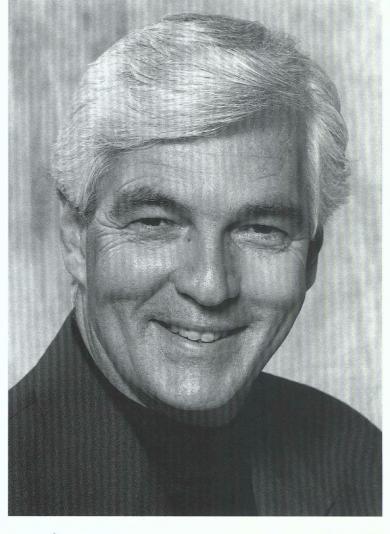

moved to CBC, where he worked for nine years as a reporter and producer. His most recent position was producer of CBC News World.

Currently a broadcast journalism instructor at BCIT, Orr says he hopes that his involvement in Studio BC will enable both his students and viewers to learn more about the issues facing us all, so that they can make informed decisions.

A member of the Jack Webster Foundation and the Canadian Association of Journalists, Orr is actively involved in the professional development and betterment of the craft of journalism.

Orr lives in North Vancouver with his partner Anne, sons Jordan and Nicholas and daughter Lily.

President's seminar series

Come and hear all about the Teamwork Skills Project, highlighting the need for an institute wide approach to employability skills. The presentation will summarize the results of the two-year training project and present recommendations for maintaining this initiative.

Date: Nov. 20

There's

something

up downtown.

Time: 1200-1300

Place: SW5 1825

Come along and join the parade:

We're celebrating the grand opening of the new Downtown campus with a parade. Join us at 9:30 on Tuesday, Nov. 26. The parade will start at the old DEC at 549 Howe St. and continue along Dunsmuir St. to BCIT's newest location, 555 Seymour St.

Come and join in the fun with a float, costume or banner; prizes will be awarded for best entries. To enter call 8398 or fax (604) 436-5762 by Nov. 14.

Burnaby campus introduces new phone prefix

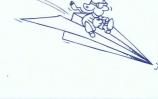

The majority of BCIT locals can be accessed directly from outside the institute without passing through the main switchboard. Just following the following directions:

Locals beginning with 74 can be accessed by dialing 412-74**

Locals commencing with 8 can be accessed by dialing 432-8***

Locals commencing with 67, 69, 70 and 71 can be accessed by dialing 451-***

All locals commencing with 5 must be accessed via the main switchboard at 434-5734

The BCIT UPDATE is published throughout the school year by the Community Relations Department within External Affairs.

Ideas, tips, fax or written submissions should be forwarded to the editor by 1500 Tuesday, ten working days prior to publication. The editor reserves the right to edit for brevity, libel and accuracy.

UPDATE is produced on Aldus Pagemaker Desktop Publishing software and printed on recycled paper.

Where am I

With the introduction of the Global Positioning Systems (GPS) the answer to the question can now happen anytime, anywhere and immediately.

An upcoming seminar conducted by BCIT's Geomatics department on the use of GPS for marine navigation will provide information applicable to surveyors, engineers, renewable resource managers, geologists, prospectors, environmentalists, the RCMP, B.C. Coast Guard, Search and Rescue operations, hikers, crosscountry skiers, naturalists, hunters, fishers and all outdoor enthusiasts.

SURV 0116 GPS for Seminar:

Marine Navigation

Date: Saturday, November 16, 1996

0900-1600 Time:

BCIT, Burnaby Location:

Campus, SW1 Room 1205

\$125

If you own GPS receivers and are not familiar with their operations, you are welcome to bring them along to the seminar.

Incidentally, another weekend seminar on GPS will be conducted on Nov. 23-24, (Saturday and Sunday) titled GPS for Aircraft Navigation and is specifically intended for air pilots, navigators and individuals involved in flying aircraft.

Other seminars and workshops on GPS will be offered on an ongoing basis by the Geomatics department. Please look out for future announcements.

For more detail about this seminar please contact Nick Wong of Geomatics Department at (604) 432-8992.
